UNIVERSITY INFORMATION

Situated between Houston, Dallas, and Austin, Texas A&M's College Station campus sits at the heart of the Texas Triangle.

With more than 140 undergraduate degrees, 270 graduate degrees, Texas A&M has a program that will equip you with the knowledge and skills needed to excel in whichever field you choose.

Texas A&M is known for its strong military tradition. The university is home to the Corps of Cadets. The Corps instills leadership skills and a sense of discipline in its members.

The football team plays at Kyle Field, one of the largest stadiums in the U.S.

Texas A&M University is consistently ranked among the best universities in the nation, for good reason. More than 73,000 current students and the Aggie Network of 500,000+ Former Students all agree: Texas A&M is where you belong.
